LOS SIETE DE LA RAZA AND THE BLACK PANTHER PARTY

The Black Panther Party goes forth to meet the needs and desires of the people. De La Raza means the seven. The seven are a group of Latin brothers who are accused of killing a fascist San Francisco Pig, on May 1st this year. Six of these brothers are in jail and the fascist forces of S.F. are searching for a seventh. The fascist who man the county jail in San Francisco are brutalizing and torturing the brothers as they do all political prisoners.

One of the Latin brothers has a case of hepatitis, he has constantly been refused the right to see a doctor. Another brother is suffering from diarrhea, he has been refused a doctor's care. These brothers have been allowed to take only two showers since they were arrested in May. One of the brothers was put in the "hole" for doing no more than stepping on a wet floor. The fascist dog police spit in the brother's food. They are approached individually by the fascist, who tries to get one to sell out the others.

Mario Martinez, Jose Melendez and Jose Elia

The Black Panther Party sees that there brothers are political prisoners the same as Huey P. Newton. Their community is occupied by fascist police who occupy it like a foreign troop occupies territory. They have been subjected to the intimidation and name calling of Altona and his gang of City bandits. The Black Panther Party stands in support of the Los Siete de La Raza and in firm solidarity with the Latin community.

We will do every thing within our power to see that these brothers are not railroaded into the gas chamber by the fascist pigs of this state. The brothers are being defended by the best and most revolutionary attorney in America; Charles R. Garry.

On Saturday afternoon of last week the chairman of the Black Panther Party met with the parents and families of the seven. The chairman and the Panthers were greeted with warmth and enthusiasm as they explained the Party's ideology and the necessity of forming coalitions in order to survive fascist Americans. The families of the seven were given a message from the Minister of Defense Huey P. Newton which is also printed in this issue of the paper.

Los Siete de la Raza

Taken from prison CMC East. And would like to tell the parents and the Siete group that the Black Panther Party and the community is behind you 100%, and that we intend to do everything within our power to see that you're liberated. I've had the same experience of going through an ordeal similar to what you're going through now. So I know the many pressures upon you. But I would like to say that it's very important for you to remain very strong, in order for your parents to be able to go through this. Together you will give each other strength, in knowing that the community is behind you, and that the whole liberation struggle is supporting you. That you have very little to worry about in the final effect, because the people are always victorious. So I would like to say again, keep your spirit high, because that will be very important to surmount the obstacle, and to surmount the oppression that you're facing at this time. Because once you give up, then it's all lost, but as long as your confident and your spirit is high there's nothing that we can't overcome together. So I would like to say, Power to all the People, Brown Power to Brown People, Black Power to Black People, and Power to all the Oppressed People in the world.

June 23, 1969
Dear Mr. Garry:

Reference is made to the Black Panther organization.

We have this day mailed a letter to the President of the United States urging him to propose legislation affecting the Black Panther membership.

We urge the President to punish the Black Panthers as vicious criminals who advocate the overthrow of the United States government. We suggest that members of the Black organization be summarily arrested and detained and subsequently confined to an internment camp. The President as Commander in Chief of our armed forces should have such authority. The internment should also apply to the BPP and splinter groups.

People who advocate the overthrow of our form of government should be removed from society as one would remove a malignant cancer growth.

RECOGNIZING FASCISM FOR EXACTLY WHAT IT IS

PART I OF THREE PARTS

All American people and Black people in particular must recognize fascism for what it is: FASCISM.

THE AVARicious (greedy, unprincipled) BURGHISSMEN.

THE INMACULATE (lying, deceiving, "law and order") POLICE.

THE FASCIST (murdering, murdering, murdering) BURGHISSMEN.

All American people who once recognize fascism here in America are mechanically seeking to identify fascism to be somewhere else, in another country, three or four thousand miles away. Many people want to say that it has nothing to do with "our" country. They want to regulate their notions of what fascism is to Germany with Hitler, Mussolini in Italy or some other place in the world and history.

What has to be taught is to understand to recognize fascism for what it is, RIGHT HERE IN AMERICA. IN THIS AMERICA is the BIRTH PLACE of fascism, even before Hitler in Germany and Mussolini in Italy. And to cite this historical fact we quote A. H. Magill and Henry Meyers from the book, THE HOUSE OF FASCISM, page 102. They state:

"It is an irony (a predicted hell) of what can happen here that this country gave birth to one of the earliest semi-fascist terror organizations in the world, the modern Ku Klux Klan, launched November 1865, it celebrated the death of Mussolini and the storm troops of Hitler."

Knowing the treacherous letter and murder that the Ku Klux Klan has put forth against Black people in America and other ethnic and religious groups such as Catholics, Jewish people, and many other organizations, are automatically recognized one of the oldest weapons of fascism: FALSHOOD. Today terror is organized and used by this very government and it is really recognized in the many murders, acts of brutality, with thousands

of intimidations and terror by the pig cops, rampant in America today.

One really sees that the government as a local, state and Federal level actually bring about the existence of the police state that exists today in America. Throughout America the terror that the Ku Klux Klan has used is now viciously used against the people by the police in America. Historically in America, other fascist and semi fascist organizations sprung up after the K. K. K. came into existence. The K. K. K. has been their prototype and most of them came into existence since 1900. And some are not known to the general public today. From their book copyrighted in 1938, Magill and Meyers state:

"These organizations have not only drawn their inspiration from the Klan, but were in many cases founded by former Klansmen. The most spectacular and menacing of these has, of course, been the BLACK LEAGUE. This was a direct offshoot of the K. K. K."

People have brought out the fact how Hitler and Mussolini have now become the members of the local police. People have seen the fascist governor, Ronald Reagan goes to the firing range with the Director. Everyone has seen how in every major city and/or state where Black people live is watched closely the police departments have doubled, tripled and quadrupled. We are also seeing with this increase of fascist pigs, the mounting terror and murder which is being used against the people, their organizations who present oppression, and especially the Black Panther Party.

The history of fascist organizations being incorporated into this government in America starting in the same level today being organized within the police departments and other pig agencies such as the FBI, the CIA and make clear the existence of "law and order" fascism, right and wrong said out the Black Legion.

"The Black Legion was organized by ex-Klansmen between 1931

and 1933-- The members of the Black Legion, however, lay not to its members, what gave it national significance was the particularly violent character of its activities. Its PENITENTIARY INTOXICATED DEPARTMENTS AND HIGH PLACES IN CITY, COUNTY AND STATE governments, its connections with the Republican Party, and the fact that it was interwoven with the DISPROPORTIONATELY HANDICAPPED branch of the automobile corporations" (our italics).

Putting together a proper understanding of how historically this fascist organization, the Black Legion and others of its kind are government organized of today, for

whom "terror is a protestation and murder an art", in this sense today we see murder being in ANT to the extent that such well planned murders by fascist CIA AND FBI BUREAU TODAY LIKE ALAN HARKLEY is used by the domestic lying politicians when they try to mislead the people by lying, saying some absurd shit and blaming it on the Communist Party leadership.

We find fascism organized into terror and calculated plots of fascism. On May 22, 1936, the hidden body of Charles Fugate was exposed by the Work Progressive Administration was found lying in a ditch. He was lying on the cur-

side of Detroit. It seemed like another murder story. On May 22, 1936, Alan Harkley's body was found in a ditch outside the New Haven, Connecticut. One need only recall the "Christ" murder of George Jackson in San Francisco, which was described by witnesses from the community to meet that FASCIST PIG, MURDER OF BUREAU AFTER A DRINKING PARTY, said that he had "wanted to know what it felt like to kill a nigger".

The situation of Black people in the United States is in many respects strikingly analogous to that of the Jew in Nazi Germany. There are in fact, sections of the South where without doubt Black people are given worse off than were Jews under the Hitler dictatorship.

Terror tactics by the fascist pigs of America which are being used against the Black Panther Party since the Party's beginning, of course, has everyone knowledgeable of many kinds of intimidation. What are these many kinds of intimidation? Murder of 10 Panthers, "LIP" Bobby Butler, Alphonse "Dumbey" Carter and John Higgins, Thomas Lewis and two other brothers in Los Angeles, before Alphonse "Dumbey" Carter and John Higgins were murdered at UCLA by Black Pigs learning Terror Tactics from the FBI, CIA and Los Angeles Police Department. Now many Black Panther Party offices have been raided into the New York 31 Brothers were arrested by fascist. All of this is Terror Tactics integrated with the other chief weapon of fascism and that is, demagoguery, those lying politicians, such as the McClellan Committee using the fascist press, the Television, News, Radio, etc to mislead the people.

Bobby Seale

Chairman, Black Panther Party

and we know how to recognize demagoguery, the other chief weapon of fascism: Historically and present, and "When these statistics make the Algerian?"

BLACK YAHOO RENEGADES

A million wonder, devoid of either brains or guts, has attempted to say his short, sorry career as a Panther by appointing himself as Minister of Information of the Black Panther Party. Earl "The Squirrel" Anthony was then Deputy Minister of Information for the Southern California Chapter has been coming around Europe telling people that he was replacing Malcolm X, a MAN, as Minister of Information. Anyone who knows "The Squirrel" can understand that this is only as feasible as a flea riding on a elephant.

According to releases from Earl Press, who seems to have been duped into publishing last a book on the Party, the Squirrel writes "morally" about the Party, that goes on to say that his writings show how "dedicated" and "devoted" Earl is to the Party and

the struggle.

We must either conclude that Earl Press is run by "Miserable capitulation" and/or someone knows in his book Earl will write about the early days in the L.A. Chapter when most of the Panthers had neither house nor food, and we were working short on technical equipment. At this time Earl had an income of over \$1,000 dollars a month, and didn't see the need for sharing his plush apartment or his long money.

To say that Earl was working hard to make himself unpopular would be an understatement. Earl proved to be a selfish, unprincipled, egotistical, lying and petty. On top of this he could not be trusted, and talked way too much to anyone stupid enough to listen.

We are looking forward to reading Earl's first account of

the struggle. We only hope that Earl has enough nerve to let someone tell him about the struggle with out running this to him. The deeper the shit got in L.A. the less we saw of the Squirrel. His L.A. brothers that knew Earl to be a punk, idiot, and a coward, have died fighting the pig power struggle. They agreed that he should stay but his ego kicked. But the more pigs we saw the less we saw of Earl.

The Squirrel's speech for unity rather would have blown anyone's mind, that was the legal security conclusion. He was especially eager to divulge privileged information to anything in a skirt. We can only hope that if he has not become a better way to prove his stupidity that he has sense enough to give up the brainless quest.

Needless to say at the time of Earl's expulsion from the Party in September 1966 he was under arrest by the Party. He was still able enough to leave using the Party 1966 CO, he has recently mailed two \$100.00 money orders to National Headquarters, news items, reports and pamphlets, and even promoting himself as some kind of revolutionary writer. The Squirrel is now trying to make contacts with other revolutionary organizations in preparation for another "great literary work". This classic capitalist, opportunist, after having engaged in activities

endangered the Black Panther Party politically, economically, socially, and morally has now moved to branch out to other revolutionary organizations across the world.

LET IT BE KNOWN THAT: 1. The rage of the Black Panther Party by a "mental flea" and the promotion of the legitimate struggles of Black and oppressed peoples in America by a "people-pimp" has left a real smoldering aftermath known as Earl "The Squirrel" Anthony running loose on this earth. 2. Anyone having knowledge of his whereabouts or activities is asked to forward such information to: United National Chief of Staff Black Panther Party National Headquarters 2106 North Avenue Berkeley, California 3. That knowledge Cleaver is the only Minister of Information of the Black Panther Party and LEBRON is FINE.

FASCIST PIG TACTICS

WIFE OF N.Y. POLITICAL PRISONER BEATEN BY FASCIST PIGS AND SWINDLED BY PIG LAWYER

Fascism, the power of finance capital, manifests itself in many ways. It can come in the form of a fascist pig cop kicking down your door at 3:00 a.m. in the morning, (like it did on April 2, 1968 when pigs jumped on Curtis Powell's home, harassed and brutalized his wife and as a direct result, her baby was born prematurely and died) or it can come in the form of ramrod-ass lawyers, who sit back and pray on the latest miscarriage of justice.

On May 23, 1968, Lydia Powell engaged the services of "Attorney"

Samuel J. Siegel. According to some facts who are incriminated with Brother Curtis, Attorney Siegel, was supposed to be a fed "Maryland farmer" in the courtroom. This erroneous information was related to Sister Powell, and she went to Attorney Siegel.

After reading the indictment against the N.Y. Panther 24, Pig Siegel said, "Oh, this is nothing. Your husband is as innocent as a lamb." "We'll have him out in no time". The next day, Lydia called Frank Siegel to see whether or not he was following through on the

case, and Siegel began to question Brother Powell's sanity. He wanted to know if Curtis was "abnormal". What this has to do with the most blatant "conspiracy" since the Rosenberg Five Trials, has not been learned yet. However, the interests did have enough sense to know that "the defendants were not the real criminals" and that "the indictment was written by a madman".

Siegel demanded \$500,000 as a retainer fee before he would even go and see Brother Curtis. After receiving the \$500.00, and swearing that he could save the brother on

the street in a week's time, Pig Siegel went to see Brother Curtis the next day. Upon returning from his visit to the man's house of detention, American Siegel demanded \$700.00 more.

Not only did the slick pig lawyer beat the shaver for \$1,200.00, the swine dog was utterly incompetent. When he was asked to come to court when the 24 were appearing, Pig Siegel didn't show because he "thought it wasn't necessary". And when the fool did show up, he showed up on the wrong day. He wasn't even on the job enough

to know the case had been postponed. Moreover, the charlatan was in the wrong part of the courtroom.

This is a clear example of a Jimi Horn artist of the highest order. The fascist vulgar lapid in Gray and took full advantage of sister Powell's naivete and took her for \$1,900.00.

At present, Pig Siegel still doesn't know what's happening and he still is running down the same old game.

FASCIST TERROR USED ON 12 YEAR OLDS

Chicago, June 1 (True News Service)— On Sunday, June 1, police were called to the William Penn Elementary School at 1816 S. Avera by a watchman who said a burglary was being committed. When the police arrived, the three youths who the watchman had seen had fled. However, they discovered 8 other black youths gambling in a doorway of the school and arrested them. At the time, a 12-year old black girl was in the school playground and began crying as the police arrested the young men. When the girl wouldn't stop crying, she was slapped by Patrolman M. L. Jennings. Star #4424, when the black youths were brought into the 10th district station, they were charged with burglary at the residence of Lt. Joseph M. Carraugh. A black sergeant and a patrolman argued with Jennings regarding to him that the 8 had been brought in because they were gambling and that they were not involved in the burglary. Complaint, but Carraugh insisted that they be charged with burglary and they were. Carraugh used racial slurs and profanity when speaking to the arrested youths. When Mrs. Willie Lewis, 26, went to the station to inquire about the young men, she spoke to Carraugh who again used profanity towards her and refused to give her any information. Before 11:00 a.m. came to the station to complete

about Jennings striking his sister (the 12 year old) at the time of the arrest. At first Hill and his companions were shoved out the door by the pigs, but later they allowed him to enter the station. Hill spoke to Carraugh and said that he wanted to speak to Jennings. Carraugh told him to wait until the attorneys had been charged. Hill did wait, and finally got to see Jennings. While Hill was talking to Jennings he was told by Carraugh to leave Jennings alone. During the conversation Jennings told Hill "I don't want to be bugged by any little sister". Next, a pig named "Glover" (because he wore black leather gloves) told Hill and his companions that they were violating the waywayway. When asked what the right way was, Glover replied, "I'm not going to tell you bastards". Glover then put on his gloves and slapped Hill. "You must don't know who the fuck I am, I will look at you bastards up." At this point other pigs arrived on the scene brandishing shotguns and Hill's jacket and forced everyone out of the pig station. The mother of one of the arrested youths later recalled the three young men involved in the burglary. She told the police about it but they still refused to drop the burglary charges against the six. Complaints have been filed with the FBI.

PIG GETS JAIL SENTENCE FOR BEATING CITIZEN

Chicago, June 10 (True News Service)— In July 1968 two policemen arrested Salvatore Petramala, 72, for minor violations. Petramala then filed battery charges against the policemen, Richard Jennings and David Penn. Since then (1) the initial records filed to the arrest have disappeared, (2) Jennings was suspended for 30 days by a second hearing on the charges (the first was rejected by the civil service

commission); (3) the charges were investigated by the 14 district commander rather than the ICD which has punished all other police brutality charges; and (4) Jennings was found guilty of aggravated battery in a jury trial and sentenced to four months in the County Jail by Circuit Court Magistrate Paul Gaudry. What bizarre set of circumstances could have led to this unusual action on the part of the

city's police courts? The explanation is simple: (1) Patrolman Jennings is black, (2) Salvatore Petramala is white, (3) Salvatore Petramala is the nephew of 28th ward Alderman Joseph J. Mendicino, and (4) Patrolman Jennings gave Jennings until July 6 to come up with a \$1,500 appeal bond or take off to the can.

Chicago, June 12, also blacks charged through Department 14 that they had been beaten and then they tried to sue the police who were beating them. The police, who were beating them, said that the police were not involved in the beating. The police, who were beating them, said that the police were not involved in the beating. The police, who were beating them, said that the police were not involved in the beating.

PIGS BLIND BLACK YOUTH

Chicago, June 4 (True News Service)— The Eastman Branch Institution Commission to Investigate Police on April 27 shooting of a 16 year old black burglary suspect by a white policeman pig, Bruce Williams was able to the head and subsequently blinded following a reported burglary of an Evanston jewelry store. Williams' mother charged that the Evanston police did not notify her of the shooting and that they held her 17 year old son (also arrested for burglary) for 4 hours before releasing him

to her. She further charged that Evanston Hospital operated on Bruce without notifying her, that Bruce was transferred to Cook County Hospital without notification. A hearing must be held to find out if Williams was blinded on the day Sheriff's police transferred Bruce to Cook County Hospital. He offered to ride along to keep Bruce from falling off the bench in the police wagon, but the Sheriff's police said another handcuffed prisoner could do that. Prior to the Commission's third hearing

Thursday, June 12, anti blacks charged through Department 14 that they had been beaten and then they tried to sue the police who were beating them. The police, who were beating them, said that the police were not involved in the beating. The police, who were beating them, said that the police were not involved in the beating. The police, who were beating them, said that the police were not involved in the beating.

"DARE TO STRUGGLE, DARE TO WIN"

When the oppressor makes a vicious attack against freedom fighters because of the way much freedom fighters choose to go about their liberation, then we know that we are moving in the right direction of our liberation. The racist dog oppressor knows his rigids which oppressed black people are bound to reject. The racist dog oppressor fears the armed struggle they fear most of all black people armed with weapons and especially the ideology of the Black Panther Party. The Black Panther Party has clearly drawn a clear line of demarcation between the oppressor and the oppressed. This is why the oppressor the Department and the Super Pigs (FBI) has stepped in the repression and persecution of black people, in particular the Black Panther Party. It is because of the ideology of the Black Panther Party, and the education of the people against this fascist, racist, capitalist power structure. The main goal of the power structure is to completely eliminate any and all revolutionary by any means necessary. A "dare" is just to keep the revolutionary status of the masses to oppress the black.

Robert Landon Williams and Mary White are being held political prisoners at Lenoir County Jail, Beaufort County, North Carolina, because they are considered dangerous regardless to what the charges are. Landon and Mary have refused to clean the filthy pigs who due to the fact that they are being held political prisoners because they were arrested without warrant of arrest or a warrant of search and seizure in no proof of the accused offense. Landon Williams and Mary White are now in jail 10 to 15 years, smaller than an animal's cage in a zoo. To try to exterminate them, they throw hot steam on them and water with no commissary privileges, to starve them instead. From an animal is bathed, they don't even allow showers, although only one is permitted a week. And all mail is denied whether incoming or outgoing.

The latest in a series of attempts at oppression and extermination of the Black Panther Party is the five-year ban of Landon Williams, Deputy Minister of Defense for the Black Panther Party, New Orleans, Louisiana, and Chauncy Walker, they were based on some five-year ban trumped up charges of carrying a concealed weapon on Sunday morning, June 22, 1969, at approximately 3:15 a.m. These brothers were harassed and arrested without even a gun in their possession. After they were released, the pigs had manufactured a gun, Landon Williams and Chauncy Walker are under medication from the doctor. These five-year motherfuckers, the pigs, refused to let them have their medicine. This was hopefully a means of "extermination" them through absence of medicine. Today they were taken to Lenoir County Jail (FBI) on medication had been provided.

The oppressor, the oppressed spokesman, and the "implacable" (revolutionaries who refuse to be covered or intimidated by the system) from three points of a triangle of death. The oppressor looks upon the oppressed spokesman as a tool in one against the "implacable" to keep the masses passive within the "acceptable" limits of the tactics he is capable of containing. The oppressed spokesman looks upon the oppressor as a guardian angel who can always be depended upon to protect them from the wrath of the "implacable", while he looks upon the "implacable" as dangerous and irresponsible "madmen" who by engaging the oppressor, will certainly provide a blood bath in which they themselves might get washed away. The power structure has ordered these Black leaders who have reduced them to nothing more than "springing barrels". The oppressor's oppressor sends programs, give space in their racist newspapers (N.A.A.C.P., C.D.R., etc.) and have shown them the misery enjoyed only by the oppressor. The Black leaders suffer the oppressor is purposely keeping the people submissively and passively obedient.

The Black leaders endorsed by the power structure have attempted to sell the people the simple-minded theory that politics is holding a political office; today able to move into a 140,000 home, being able to sit near white people in a restaurant (while in fact the Black masses have not been able to afford the roof of a 140,000 rat-infested home).

You the Black bourgeoisie and petty bourgeoisie on your stupid knees adoring the simple-minded theory that politics is holding a political office; today able to move into a 140,000 home, being able to sit near white people in a restaurant (while in fact the Black masses have not been able to afford the roof of a 140,000 rat-infested home).

LETTERS FROM PRISON

AFENI

ALL POWER TO THE PEOPLE!

I am writing this letter to my people, upon learning of the Birmingham incident. I was neither shocked nor surprised that the "defenders of law and order" but upon this minister's brother office, destroyed more than intended for the Free Breakfast Program, shot up another office, and tortured and kidnapped more Panthers. I have been also recognized the elements justice of the National Public Order - they parallel those of Hitler's Gestapo Forces. Panthers have been saying these things for three years and have been called "egg-heads". How naive of me to even entertain the thought that I have time to hate anyone. Hate is a disease which eats away the brain. I have no time for such nonsense.

Along comes the major, after being challenged by the Deputy

Minister of Defense of Birmingham, to express the results of his "defence" you know what he says? He's shocked! Well I am just too through! And I to believe that every time the authorities are presented with their atrocities they are truly shocked! And, of course, that makes it better. The conscience is clean and the Gestapo forces can move on with more terrorism. I'm sure a rich man was shocked when the church in Alabama was bombed and those children massacred. They were shocked! When Martin L. King was murdered they were "truly shocked". When Malcolm was murdered, they were shocked, but we were not!

The Free Breakfast Program is becoming a relevant part of Black Communities now and I'm sure the politicians don't like that, after all if they want to keep out scraps of garbage - like - but never should people feed their

children good food themselves, especially with the Black Panther Party in the Vanguard.

Well up against the wall mother fuckers! Cause this is a strike up - All power is going to the people - whether you like it or not.

Right on Brothers and Sisters! And remember, the whole thing is a thing of mind over matter. I don't mind and the pigs don't matter.

Victory and Solidarity in the Struggle!

Power Brothers and Sisters

I am an inmate of Illness Island, I had the opportunity to tap to brothers Katera and Jamal. I, myself, am not another victim of a fascist court system. I have been tricked by this pig system into giving seven years of my life to them. But this is not the first time these fascist pigs have taken me from my loved ones. I remained three years for my first arrest which in itself was an injustice. I now can see that this is not just against the Black Panther Party and other freedom fighters

but against the white people. I like to encourage all oppressed people to stand and fight for their freedom, now, before the pigs can exact their genocide war against the oppressed people of America and the world.

I would like to commend the Party on its Breakfast Program which shows the people one way to gain point one of the Ten Point Program.

I say "Power" to the Vanguard, and I hope you will continue the struggle until all Ten Points are gained.

ALL POWER TO THE PEOPLE!

Well they have us confined in an 8x10 cell, that's very funny. These stupid fucking pigs have cut off our commissary and better writing privileges, won't let us take any above and beyond on our bread and water for refusing to clean up their filthy pig cell. To further show the mentality of the pig, while we were seeing our lawyer today, these greedy money pigs stuck into our cell and wrote our bread, so much for the pig. We see the latest issues of the paper today. You brothers and sisters are doing a beautiful job and Mary and I become stronger and stronger everyday. These bastards will never be able to get us down to matter what they do. We heard on the news yesterday that the Egyptians say that 1969 will be the Year of Liberation. Every-

day I'll send them a care package in the form of our continued resistance. The letters from our brothers who are in these pig necessary army with breakfast. Each brother should make it their duty to send some letters of the paper to any of our brothers that they know of who are in the pigs army. The days of imperialism are numbered, everyday they become weaker and weaker. America is pregnant with revolution. (hope everyone is strengthening their political education, waging some ideological struggle. Continue to persevere in the struggle and we'll all be together on the day of liberation.

Landon Williams

RORY

All power to the People! Long live the Minister of Defense! And long live the people's revolutionary Vanguard Party! They're killing us and Landon and have us thrown up in isolation cells on bread and water. All revolutionaries on the verge of extinction inevitably conduct a last desperate struggle against the revolutionary forces. And we will not be defeated by a cowardly struggle because we know of their true weakness. When the pigs kidnapped us, Landon was teaching P.L. class at the Freedom Office. The rest of the brothers and sisters were able to get out before they dropped two consecutive of poisonous gas (C.S.). But we know that these attempts at extermination by imperialism are doomed to the death! They can kill revolutionaries but they can't kill the people's rev-

olution! This is historical materialism, standing in opposition to this viewpoint is historical idealism. The pigs will try anything, try again, fill with their doom! This is also historical materialism. So Landon and I say to all revolutionaries and potential revolutionaries, because there are no two powers in the revolution. "The days clouds will sometimes appear! But we must point out that they are only temporary, so we say continue to serve the people, make friends, from a lower level to a higher level! And pick up the gun! A good revolution of defense and attack, and only people in the revolution. If you don't believe in food justice already read!"

THE POWELLS: TOOLS IN THE HANDS OF THE FASCISTS

The fascists in Germany came to power in the 1930's after they had succeeded in creating an anti-democratic atmosphere. The forces of fascism - the imperialists, fascist capitalists, and large agriculturalists were able to create a fascist state through the use of their two most important weapons against the people: demagoguery and terrorism. The "social democrats", who would today be equal to our "liberal establishment politicians," told the masses of the people down the street, in the name of anti-communism, and so-called "democracy", they sat back and watched the fascists take over without signing themselves with the progressive and revolutionary forces in Germany (the Communist Party) to oppose fascism. They opportunistically thought (of course they were thinking only of themselves) that if they played it cool and didn't get in bad with the Nazis, that maybe the Nazis would leave them alone when they came into power. So, that's what they did, they played it "cool", and they aided the Nazis' coming to power. What they didn't reckon on, though, was the Nazis' throwing them entirely out of the ruling circles and even into the concentration

camps along with the common folk. Because after the Nazis were in power, they no longer had any use for the liberals, as they were disposed of just like everybody else. Trying to straddle the fence didn't work too well for them then, just as it won't work too well for liberals in the United States. They will either have to take an active stand with the anti-fascist forces in the U.S., or they will be taking a stand which supports the fascists in this country, which in the end, is not in their interest. Victimhood paves the road for fascism.

Fascism comes in different guises, and we the people must be wise in all the different guises of fascism so that we can detect it and expose it in all the people before it's too late. In Germany the fascists ruled anti-communism. In the United States, the fascists rule about their so-called "law and order". What kind of "law and order" is there in a society in which millions of black, brown, red, and white people go hungry every day? What kind of law and order is there in a society which sends its youth the size of the workers, of the poor and oppressed people of this country to war in Southeast Asia to fight the poor

and oppressed people over there? Are the American men in Vietnam fighting a war over there for the sake of "law and order"? NO! They are fighting a war over there which is in the interests of the ruling classes in this country and no one else! Can we talk about "law and order" in a society where every day we of the Black Panther Party are confronted with new frame-ups against our members, where our officers are being raped on, our program is being beaten, our union bibles incinerated? We say that there is not "law and order" in this society, and there never was, "Order" for whom? There was no "order" for the masses, and there has never been "law and order" for the ruling masses - every time the workers in this country have militantly struck in order to get some of their basic demands, they have been met with violence. Any time the people of this country organize to obtain their fundamental demands and needs, they have been met with force. What is it that has dashed out this violence? What is it that disrupts the "law and order" of our society? THE FASCIST RULING CLASS! WHEN THEY TALK ABOUT THE SO-CALLED "PRO-

LARRY AND JEAN POWELL

LENT NATURE OF AMERICAN SOCIETY, THEY ARE REALLY TALKING ABOUT THE CLASS CONTRADICTIONS WHICH ARE REFLECTED IN THE VIOLENCE OF OUR SOCIETY. The pig power structure is the force that strikes and violence. The pig power structure has been violently murdering the people of our composition for too long. For the fascist pig ruling class, "law and order" means the continued peaceful exploitation and oppression of subordinate people. "Law and order" for them is slavery for us.

Now, these little fascist pigs have the nerve to hold a demagogic Senate investigation (lying against the Black Panther Party, and THEY'RE calling US "communists") The same pigs that have been murdering our people daily, illegally tapping on our offices, breaking into our homes and stealing breakfast for school children every day, these same pigs have the nerve to call us "communists"!

A big difference between the conditions of today and the conditions in Germany when Hitler took over is that in Germany the main revolutionary force was the Communist Party which, although it had a lot of support among the youth, was strongest among older people. Here in America, the main revolutionary force at this time is the youth. The Black Panther Party, The Young Lords, SFL, etc. -- we are all mostly young people. And, many of us used to be in gangs. Yes, we used to be on the streets. We used to rebel against this exploitative society by "doing our own thing", individually, and not politically. But we started getting wise. We started investigating the situation more thoroughly, and our leaders, like Huey P. Newton taught us how to think objectively, analyze our problems, and we learned that the problems weren't ours as individuals, but were rather the problems of society. The only way we could solve them was by understanding our position in society and by serving the people wholeheartedly. So, we turned away from gang fights. Today, in Chicago, there aren't gang wars any more. We've definitely advanced to a higher stage, and we know that we are not one another's enemy... We know that our real enemy in this fascist pig power structure which we run up against every day is the force of the demagogic politicians, the fascist pig police and the avaricious businessmen. So, naturally, we must we get together, the more our numbers, the pig power structure, gets insight. They are realizing the use of their two main weapons: terrorism and demagoguery.

When some of us were in gangs, they practically left us alone. Now that we are organized political forces, they have decided to start their campaign (for example Chicago's Mayor Daley) against "crime" again, when we have

become a real threat to them, they want to wipe us out, pretending that they are for the maintenance of "law and order". They know full well that they have to use demagoguery, and they have to try to destroy the revolutionary forces through lies, because only by using slander - do they have the slightest chance of getting the support of the people. So, they use DEMAGOGUERY to try to deceive the people. Demagoguery is the ugly art of playing on the hopes and fears, the emotions and the ignorance of the poor and suffering masses for the benefit of the rich and powerful few. It is the method of arts. It is the art of fascism. Gangsters generally do go against the interests of the people. They exploit the people, keep profits, exploit the people. It is this violence, exploitation, fascist slavery which makes these people what they are. This we understand. But the Black Panther Party opposes playing off the people, we oppose gang warfare, we oppose exploiting the people. Because the only way to combat this system is through organized, disciplined, political action, and this is why we purged out of our ranks all of those members who took part in irresponsible activities when they knew better, when they had learned to refuse to serve the people, and working in a disguised fashion.

The pig power structure wants to destroy us. They can't do that by using the truth, so they lie. Unfortunately, they occasionally find people from our communities who they can use as tools in obtaining their evil ends. Unfortunately, there are people who have let themselves be bought off by the pig power structure. They are fools. For some crime, they have put themselves in the position of betraying their people. For some small sum of money or small favor (like possibly being let out of the pig pen a few years earlier), they have sold their people down the river by running the lies of the pig power structure before some low-lying "investigating committee". JEAN AND LARRY POWELL ARE SUCH FOOLS! NO, We do not consider them to have as much of a weakness or weakness left in them. They are more puppets, and their every act is determined by the direction in which the demagogic politicians of this country pull the strings. It is so ugly that they are driven to despair, and it is not with the people, but then, they have chosen to betray themselves as they betray their people. The Black Panther Party is not going to waste time on them. They are provided tools to use against themselves, and they have betrayed the people. AND WE KNOW THAT HISTORY IS ON THE SIDE OF THE BLACK PANTHER PARTY.

REVOLUTION AND EDUCATION

ELDRIDGE CLEAVER MINISTER OF INFORMATION B.P.P.

FROM LAST PAGE REVOLUTION AND EDUCATION

It is the duty of any society to see to it that every individual in that society is invested with the human heritage and provided with the technology, the skills, and the knowledge that will enable him to cope with his environment, to survive, and to live a good life. This is the duty of the society to provide that, just as it is the duty of the society to provide the highest level of medical assistance, housing, and also employment, every benefit that exists in society, it's the duty of the government to pro-

vide what we're talking about is not only sitting back and watching, but actively reaching out and challenging the authority of those who control the various institutions in society, not simply challenging that authority, but to actively moving to disrupt the functioning of those facilities, and in perfect the control of those facilities, so that the people will have the power to administer those facilities in the best interests of the community as a whole, and no longer in the interest of the capitalist monopolies that are being administered by racists and by pigs who only want to exploit people and sentence people to be cogs in a wheel. In the final analysis, the struggle that is now going on, to the college campuses, cannot be settled on the college campuses, it has to be settled in the community, because those that sit on the boards of administration of the colleges do not derive their power from the fact that they're sitting on the board

of the college. In order to overthrow a revolutionary society, we have to destroy the present structure of power in the United States, we have to overthrow the government. For too long we've been lulled into not speaking out clearly what our task is, our task is the overthrow of the government, it has to be understood as being nothing but the instrument of the ruling class. The courts, the Congress, the legislature and the executive branches of the state and federal government are nothing but instruments in the hands of the ruling class, to see after the affairs of the ruling class, and to conduct the life of society in the interest of the ruling class. So we're out to destroy this, to smash this machinery and to erect new machinery, but new machinery cannot be erected until the present machinery is destroyed. It is not the task of revolutionaries to keep their heads up in the air, wondering about what they would do, when they're in power, what they have to do at the present time is to have their minds centered on destruction, we're out to destroy the present machinery of the ruling class, that is our task and that's what we must be about. And we say that we will do this by any means necessary. We must do this by the only means possible, because the only means possible is the means that's necessary, and the only means possible is the violent overthrow of the machinery of the capitalist ruling class. That means that we will not allow the ruling class to use brutality and force upon us, without using the same force and brutality upon them. We must destroy their institutions from which they derive their power, a glorified president may have his power as a result of being involved in a corporation, we must attack him on the campus but we must also pick him off campus and attack him in his life, the life of his power, in his corporations, this could be through boycotts of the products of that corporation, or through the physical destruction of the property of that corporation, or the physical alienation of him as an individual.

We must not get into a trap of thinking that we're involved in a game, a revolution is not a game, it is a war. We're involved in a war - a people's war against those who oppress the people, and this is the war in the clearest sense of the word, it is only that our resistance is under-developed, the repression is over-developed and it is our realization that is under-developed, because the ruling class has arsenals of the materials of war to unleash upon us, and they're only taking these black materials at this particular time, because our resistance to their oppression has therefore been weak.

Fred Hampton, Deputy Chairman, III, Chapter B, P. P. is one of 16 party members indicted by a fascist grand jury on charges ranging from kidnapping to unlawful use of weapons.

LETTER FROM A POLITICAL PRISONER

May 26, 1969

As I sit here this morning awaiting to be sentenced to a very long term, my mind is on one thing and one thing only: that is, the international proletarian revolution must go on and that so we feel sorry for me.

If I'm not in this life, then I'm prepared to do that I have no life to give other than a life for the people. LET ALL TESTS OF REVOLUTION COME FROM ME. THOSE THAT I AM NOT READY FOR I WILL BECOME READY FOR, PEOPLE UNITED.

vide that. And as long as the government is not providing that, it is not worthy of existing, and under our form of government, which is called representative democracy, it is not possible to provide this, it is not possible for a capitalist economy to provide a universal education for the people. What it has been providing is universal brainwashing that manure-ades an universal education, the quality of the education is contemptible, it's inhuman, and it's only geared to provide a level of intelligence or a level of competence that will enable the product of the educational system to become war material, to be exploited by the capitalist economic entities within the United States,

but rather, they sit on the board because they have power in the community. Their power is based in the economic institutions of society and other institutions that are part of the power structure, and because of their relation to these sources of power, they're able to be appointed to these positions of administration. So that we have to destroy their power in the community, and we're not reformists, we're not in the movement to reform the curriculum of a given university or a given college or to have a Black Studies Union recognized at a given high school. We are revolutionaries, and as revolutionary, our goal is the transformation of the American social order.

NY Panther 21 trial postponed

By Chris Robinson

Lawyers for 11 of the Panther 21 argue in court last week that Manhattan District Attorney Frank S. Hogan should be recalled and replaced by a temporary district attorney.

The 21 members of the Black Panther party, charged with conspiring to bomb several department stores, police stations, the Bronx Botanical Garden and a section of railroad tracks, accused Hogan of being the source of inflammatory publicity prejudicial to their case. Defense lawyer Arthur Tunco argued that Hogan should be replaced because he "cannot present evidence against himself."

The accusation was leveled June 13 in New York City's criminal courts building while several hundred Panther supporters demonstrated outside.

The trial was to open June 13, but defense lawyers presented eight motions to be argued prior to the trial. These motions call for dismissal of all charges due to premature

and prejudicial publicity, suppression of wiretap and other electronic evidence and the trial of two defendants as youthful offenders because they are minors. The trial has now been postponed indefinitely, while defense motions are argued. Presentation of the motions is to resume June 26.

The brief June 11 court session was attended by 200 Panther supporters, who packed the courtroom. They were backed up by 500 more demonstrators outside the building. New York Supreme Court Justice John M. Murray allowed defense lawyers to meet with their clients for the first time as a group (the 14 Panthers are being held in seven different jails) and then adjourned the case for two days.

Defense attorney Gerald Lefcourt appeared before seven judges of the New York court of appeals in Albany June 11, to argue for a reduction in the Panthers' bail, now set at \$100,000 each. Lefcourt said he did not expect any state court to grant a reduction, and that he thought the bail "is obviously unconstitutional."

TRIBUTE TO HUEY

I cannot help but say that Huey P. Newton is the saddest mother-fucker to get lost inside of history. Huey has a very special significance to Black people, because of four hundred years of repression at the hands of this decadent American society.

Black people have been wanting to do exactly what Huey P. Newton did. That is to stand up to this fascist, Pig Society, and defy that Godly Oppression and to tell that Oppression that we will not accept the aggression and brutality. Huey P. Newton as a man is motivated by a deep and burning conviction and concern for Black people in particular and oppressed in general. Huey recognized the problems of the oppressed and set forth an effort in seeking the solution. He recognized the fact

that it is going to take a very fundamental shift on a revolutionary level to motivate the people into overthrowing the oppressor and to take a revolutionary stand against this decadent fascist system that is oppressing us.

CHARLES BURSEY

JUDGE DENIES WELLS' MOTION BURSEY'S TRIAL TO START JUNE 25TH.

Warren Wells, suspended member of the Black Panther Party, appeared in court on June 23rd to present a motion to the court that he be immediately tried for a third time or be set free. Attorney Charles H. Garry asked the court to release Warren Wells without bail, since he, Wells has no means of raising money. Asst. D.A. Attorney Lovett Jensen questioned Wells as to his sources of income before he was to set. Attorney Garry asked that the date set for Charles Bursey to stand for the third time. Charles Bursey is free on bail stemming from the same incident in which the former Oakland 1968 Olympic member of the Black Panther Party, killed Bobby Martin.

and wounding Eldridge Cleaver. Attorney Garry made it quite clear that he had Charles Bursey's permission to go ahead with Wells' third trial on the date on which he was set to go. After having all the motions and the constitutional rights of Warren Wells, the presiding fascist judge simply denied them all.

Charles Bursey goes to trial Wednesday, June 25th at the Alameda County Court at 12th and Union Streets in Oakland. The Black Panther Party is taking all people, workers, students, what have you, to come down to the courthouse and stand up to demand that all political prisoners be set free.

We who are writing this letter are several concerned brothers and sisters in the Black community of Los Angeles, who wish to enlighten the Black people in the city of Los Angeles to a certain business establishment within their midst that is capitalizing off them and robbing them on the side also.

Dear Brothers and Sisters:

Those of you who live in the city of Los Angeles, beware of "Cynthera Playhouse". Cynthera Playhouse is a Black capitalist business establishment located at 4850 W. Adams Blvd. They carry dagblis, Afro art, monologues, posters, the Black Panther Party newspaper, B.B. newspapers, and other things. The only things that are worth the money that you pay for them are the books and newspapers. The rest of the junk—interior decor, picked up from TJ-max, Melex, or bargain stores, which is in turn sold to the Black community at ridiculous prices. The majority of the Black community goes in only to stare and window shop because the interior merchandise is too high for the average Black person to afford. The signers who operate this "chamber of Black capitalism" are a bunch of game-running niggers who were in the streets several years ago, running gamecoo brothers and sisters and exploiting the masses for their own personal gain. These niggers are that during the "Black awakening" that they could take their capitalist selves from the streets and gullies they wallowed in, into a cockleshell behind a "buy Black, patronize your Black brother" sign.

These clattering brained, Uncle Remus glibbing, one checking two bottom wearers, B.B. parade riding

coon-coach piggers are not satisfied with including the Black community in pig Nixon's Black capitalism program. To top it all off, these Black capitalist, capitalist, money hungry mammals make the community pay the price when their business is bad by going out and stealing from the Black people in the community and selling the stolen goods back to the people in the community, plus swindling righteous brothers and sisters with the misuse of their money making

games loaded with class, murder satisfy their own selfish, personal, opportunistic, coon-coach riding selves.

INFLATION, POLLUTION, UNEMPLOYMENT, the lack of food for **FASCISM**. It's a nation whose cancer which is spreading rapidly throughout the Americas and Foreign countries. If it is not stopped immediately it will kill all that oppose it.

It is hiding in the form of LAW AND ORDER. The Fascist Pig Power structure is constantly conspiring to commit murder on all oppressed people and those who lift a hand to help and the crimes committed against the people. It has worked from the underground for centuries, but by the Black Panther Party exposing Capitalism and Fascism, it has forced Fascism to show its hand. It is necessary for the oppressed people of the world to unite before it is too late.

The Fascist Pig Power Structure with the help of their lackey news media, is continuously mis-reading dedicated doctors toverlooking upholding revolutionary Brothers and Sisters and are committing the criminals to go about their Fascist way. The oppressed people of the world are constantly

GRAND JURY UPTIGHT FIND THREE PANTHERS IN CONTEMPT OF COURT

16 CHICAGO PANTHERS INDICTED -- FACE ELECTRIC CHAIR

Sixteen members of the Black Panther Party including the chairman, minister of education and the minister of culture were indicted Tuesday by the county grand jury on charges of conspiracy, aggravated kidnapping, aggravated battery, burglary and unlawful use of weapons. The aggravated kidnapping charge carries a maximum penalty of death. The state attorney's office leaked to the press on June 5 the story that the grand jury was planning extensive indictments against the Panther leadership as part of the city's war on "gangs". The case which was chosen for use in attacking the Panthers was the arrest last April of a half-dozen Panthers who were charged with kidnapping and torturing a couple in suburban Evanston in an alleged attempt to recover a stolen gun. Thenceforth the defendants appeared in court in Oakland and three times the state refused to produce any witnesses and asked for a continuance of the

pretrial hearing. Then Tuesday it was learned that the state was continuing the case to include all the Panthers they wanted to put in jail.

Named in the indictment are Fred Hampton, deputy chairman for Illinois; Richard Powell, section leader; James White, section leader; David Valentine, information secretary; Wilbur Ayrault, deputy minister of education; William O'Neal, deputy minister of defense; Ernest Bruce, captain; Merrill Harvey, captain; Nathaniel Jordan, field secretary; Vernon King, field secretary; Chuckles Davis, minister of education; Charles McBride; Harrison Walton; and Willie L. Ford. Hampton was set by the grand jury on most defendants at \$100,000. At the time the indictments were handed down, Hampton, White and Powell were already in jail. White has been in jail since April 28, unable to make bail because the original arrest. Arrested were

Valentine, Ayrault, O'Neal and Harrison Walton. The other 1 are still at large after a series of early morning raids by the G.U. in suburban Summit, Argo and Maywood failed to find them.

At their arraignment Wednesday morning, White, Valentine, Ayrault, and Powell succeeded in getting bail set reduced from \$100,000 to \$10,000. O'Neal's bail was set at its original \$10,000.

Although the indictments came only 24 hours after state Attorney General and Mayor Daley had called a press conference to announce a special grand jury would be used to "smash the gang structure" in Chicago, Thorburn denied the indictments were an attack on the Panthers. "This is not an indictment of the party itself, but is against certain members for specific crimes." But then he added, "I believe the character of the organization can be determined by the crimes of its members."

The fascist reactionary grand jury who call themselves investigating the Black Panther Party today in San Francisco found three members of the Party in contempt of Court. The three brothers: Fred Crawford from Indianapolis, Ind.; Larry Carter from Minneapolis, Minn.; and Steve Shear from Den-

ver, Colo. used their Fifth Amendment rights and refused to be intimidated by this group of fascist lawbreakers of fascism.

Attorney Charles R. Barry, on his job as usual got a stay of execution until bond is posted pending an appeal, which means the brothers are free.

IND. PANTHER RUN DOWN BY FASCIST

Deputy Minister of Information of the Indianapolis Chapter was run down by a fascist truck three days before the Chapter was to begin its summer Revolution for Children Program. Deputy Minister of Information, Donald Campbell was helping an elderly lady across the street when this fascist

came speeding around the corner in a truck which had written on it "Love America or Leave It". Reports from observers indicate that this was a deliberate attempt on the brother's life. The brother is in fair condition, and will be functioning for the people again.

BOSTON PANTHERS MAGED AND BEATEN FOR SELLING PANTHER NEWSPAPERS

LITTLE June 19, 1969

Jail and then were standing outside First National Bank, on the north selling Panther newspapers. Indicting pig Accera (Badge 1 3297) told them to move on because they were successfully blocking the public way. When Joel asked what kind of crime was being committed, and who determined if they were wrong, Accera said, "I don't know." The people were not complaining, and they were making good progress with the newspapers. They decided to leave, rather than risk harm to the people watching. They began to walk toward Northampton Street. Accera came from behind and grabbed Joel and hit him in the chest. Joel decided to defend himself from this police attack. Then Ron tried to help

and two men from the store came out. One, with the aid of Accera, attacked Joel knocking him to the ground and beating him. The other manager attacked Ron.

Before being placed in the pig car they were both mugged. Joel was arrested and placed in handcuffs. Accera beat Joel all the way to the pig station. At one point, he pulled out his gun, but the pig told him to put it away.

When they got to the pig station, Accera turned his attention on Ron and proceeded to beat him. As they were waiting to be booked, Accera took Ron's beating on them. The minutes on time and then the other.

Ron was placed in a cell first, where he was again beaten. Accera watched him be put out of the jail Monday, June 16, in the he

would kill him. Joel was placed in another cell and also beaten again.

Most of the time that Joel and Ron were beaten, they were handcuffed. They were first beaten outside the cells. The people at the community suggested that various acts by the Boston Chapter. Ron was only of learning for many in the community. It was another way the fascist power structure tried to stop the Black Panther Party from getting the truth to the people in Boston.

FROM THE OFFICIAL PRISON PSYCHIATRIST ON WESLEY WELLS

October 29, 1968
Governor Goodwin J. Knight
The Capitol
Sacramento, California

Dear Governor Knight:

As Wesley Robert Wells is well known, now that the Supreme Court has refused to interview, I shall feel that I am guilty to having for his death unless I can persuade you to issue a pardon.

The State of Brown chapter episode would never have happened if the prison authorities had acted promptly and humanely on my written request following my interview with Wells. What should have been done in my capacity as prison psychiatrist would have been to obtain a personal interview with the wardens to give him an immediate understanding of my findings.

Having to make arrests for this confusion I isolated Wesley Gov. Prince Warren on February 1st 1966 and presented the facts to him. The reply of his secretary, Mr. James Welch was technically correct in

quoting the Adult Authority but I feel that as a psychiatrist or health advisor of prisoners and because of appropriate interviews with Wells just before and after the episode, I am qualified to discuss the statement "that a combination of reasons for Wells would result a total disposition to death of some other prisoner or guard". He was not "a wild animal" in either of these interviews. We were quite alone in the prison hospital office and I could detect nothing but a real man, more stressed against this situation. He was conditioned from an early age of orphaned childhood to desperately resist "Jim Crow" while struggling to make a precarious living. Unpleasant plots and conditions practiced against him would have killed a weaker man. Partial naked and beatific red tape have robbed him of the consideration due a human being.

Please tell me that you will grant my request.

Sincerely yours,
Paul F. Howard, M. D.

(Friend of the Black Panther Party in Philadelphia and Columbia)

I have just recently become affiliated with the Black Panther Party and the entire Black revolution in general and I just had to write and let you know my feelings about it. I believe in my heart and deep down in my soul that this revolution, which will soon hit its peak, is the most beautiful thing on earth. Never in my life have I been so proud of my people and of this change than I am now. Through searching of myself and of the universe I have truly found something I believe is and I know is right. I am prepared to fight for the cause, I am prepared to go to jail for

the cause, I am prepared to return the pain inflicted on me by the fascist pig and the dying power structure for the cause, and I am prepared to die for the cause.

I am the only one for miles around who shares in the belief that beyond a shadow of a doubt the movement and the Black Panthers in particular are right. There are lots of misconceptions about the Black Panthers by misinformed brothers and sisters thanks to the fascist power structure newspaper media. I myself ran to many of them, and try to set them straight about Panther ideals and goals, as possible. A lot is said about the brothers but when face sisters like Ericka Huggins and Kathleen Cleaver and many others are believed in

the cause as strongly as they do and are willing to fight for it I can only say I wish I knew sisters like that because to know one person here is a far cry from knowing a movement.

Brother man and sister woman would like to end by saying our beloved leader Huey P. Newton may be in jail but his spirit is now in the and has generated something that no fascist, pig power structure can destroy. This beautiful brother has given me something to believe in, something to push back at, something to live for, something to die for.

LETTER: FROM SOUTH WEST AFRICA NATIONAL UNITED FRONT

Dear Mr. Minister:

We carefully read the article which appeared in the Black Panther of March 18, 1969, pages 12-13, regarding South West Africa (Namibia). While we highly appreciate your concern for the liberation struggle of the oppressed people of the world, we take note of those who take advantage of your concern by using you to destroy the very struggling people who honestly wish to see armed.

The article entitled SOUTH WEST AFRICA FREEDOM FIGHTER MAN AND MAO suggests to have been written in behalf of the South West Africa National Union (SWANU), though it does not carry the name of the Union. However, we wish to inform you that SWANU is a foundation member of the South West Africa National United Front which was fearlessly, though laboriously, organized by the people of South West Africa in the

same way the Vietnamese people organized their National Liberation Front. Whoever continues to play up the role of SWANU at the exclusion of all the other liberatory movements such as the SWAPO, SWANUO, and the Workers Union, is only doing harm to our cause in the same way the Vietnamese did by damaged the cause of the Vietnamese people.

We also learned that the content pictures the Black Panther carried was taken in 1964 during the German-German War, long before Chairman Mao Tse-Tung returned to China in 1919. When he adopted Marxism as his faith in 1920, he had to found the Communist Party in 1921, earning a place in its leadership in 1923. We therefore, failed to understand the role Chairman Mao played in our revolution to destroy a slave society and great national forces of all the time.

Moreover, we borrow ideas from

great leaders such as Mao and Lenin. But we never make them lead our struggle for us. As Chairman Mao teaches us, we trust our policy on our own strength, and that means regeneration through our own efforts. We are not alone; all the countries and people opposed to imperialism are our friends. Nevertheless, by African regeneration through our own efforts, helping us the forces we ourselves organize, we can defeat all our enemies.

We enclosed herewith our contribution which is the acknowledgment of our people, and here to send you the following issues. Please feel free to reprint any article thereof.

With brotherly love, we are looking forward to establishing contacts with you.

Yours S. Minister and
Mr. Minerva Nzinga

REVOLUTIONARY MARRIAGE

The Xanana City Chapter of the Black Panther Party is very proud to be honored in the tradition of having a revolutionary marriage.

"The world is yours, as well as ours, and in the final analysis, it is yours. You young people, full of vigor and vitality, are in the

On May 16, 1969, two of our most functional members, sister Patricia Hines and brother Philip Ortega, were united in a beautiful revolutionary ceremony. The ceremony in itself was unique, performed only once before by the National Headquarters of the Black Panther Party earlier in the month.

blooms of life, like the sun at eight or nine in the morning. Our hope is placed on you."

The world belongs to you. America belongs to you.

After the ceremony the brothers and sisters sang the revolutionary song, Old Time 1969, and congratulations were in order.

The ceremony was performed by the Deputy Chairman of the Xanana City Chapter, Brother Pete Brown. Adding to the revolutionary style of the ceremony, Brother Pete, an ex-student of the Black Panther Party, recited some very beautiful and powerful passages from Chairman Mao's Little Red Book. One is the following:

In following the words of Chairman Mao, and putting them into practice, we shall surely win all the forces of our Party on democratic centralist principles of organization and discipline. We shall unite with any comradeship that is by the Party's program, constitution and discipline.

RECOGNIZING FASCISM FOR WHAT IT IS

The Black Panther Party is calling a Conference for a United Front Against Fascism in America, to be held in Oakland, California, July 14, 15 and 16th. It is the IGONNOROUS crimes of the fascist regime manifested in the McRee Committee, the Oakland Police Department, etc., etc., are not met with an alliance of all the progressive people and organizations throughout America, the future of America will reflect the heinous crimes of fascist Germany. We cannot depend on the fascist press to give a true account of the present attempts to destroy the na-

tional and local leadership of the Black Panther Party. Numerous arrests and even a murder of one of our Party members, Alex Hareley has taken place. This reminds us of the murder of Charles Parker, found dead in a ditch in Detroit on May 22, 1966. It is a recognized fascist plot to eliminate the Black Panther Party in order to justify their perfidious attacks personally and nationally. The fascist press assumes that the great American democracy is immune to fascism, but the Black Panther Party recognizes fascism for what it is in America, manifested in the

three levels of oppression: the aristocratic grounds, exploiting/ruining; the democratic (lying) politicians; and the fascist pig cops.

People who recognize fascism for what it is in a country 3,000 miles away, supposedly fail to identify it when it develops in their own country under their very noses. Thus, mechanistically seek to identify fascism by the products which it wears in other countries and are unable to recognize it when it wears our clothes.

AN OPEN LETTER TO THE PARTY

To whom it may concern:

In writing to say that I am a firm believer and supporter of the oppressed people's revolution.

The black people here need to know that their black brothers and sisters all over this racist country need to unite and believe what the oppression brought upon them, which has them convinced of the permanence, will come in due time through a mass unity. As a black woman talking

to her sisters and brothers in Oakland, I could only say with a feeling of pride and joy that I am now with you and you are fighting for it and you are proud that you will do down throughout when I first read your letter. It made me really realize what a responsibility

it is to be in the "front" of the oppressed people, not just of all, "Black Power to Black People".

POWER TO THE PEOPLE
PANTHER POWER TO THE VANGUARD

THE BLACK PANTHER PARTY CALLS FOR A UNITED FRONT AGAINST FASCISM

The Black Panther Party has called for a "United Front Against Fascism".

Every man, woman or child dehumanized by the "brutality" of imperialism has to be anti-fascist. Probably 80% of the people in the U.S. including many employed in agriculture with severe imperialism would call themselves anti-fascist.

Not enough people oppose fascism in action, where it exists. Police terror and assassination as the black community with double violence and brutal sanctions in the courts for leaders of the Black Panther Party its demand to action. 1000 members and napalm in Vietnam are fascism in action. No one talks on student activities.

The address of fascist headquarters is not Berlin, Rome, or Tokyo. It is imperialism, U.S.A. It is White Supremacy, New York, Seattle, Chicago, Los Angeles, Birmingham, Miami. It stalks with U.S. and U.S. mercenary pigs in the Congo, in other pig colonies. Africa is the Middle East. Portuguese fascists in Angola and apartheid in South Africa depend upon U.S. patronage. At home, northern and southern pigs occupy ghettos and parks with equal brutality.

The system has everything to dominate the world with fire, bombs, gas and knives for enforcement and with letters of "hate", race, money and power for traitors like the generals in Saigon and the wealthy labor officials and other media men performers at home.

The only cure for this national and global plague is the death of U.S. imperialism. Black revolutionaries and young people are planning to die in the same school. All together, more people in more places are willing to defeat fascism and end imperialism.

Black liberation fighters are being joined by Brown and Red and young mother country white people to lead to the urgent business of resisting by any means necessary. The rest of the people who still hate fascism could contribute to forced or make just law coming camp followers or labor beatdowns for the pig troops unless they decide right off to support the brothers and sisters who are already fighting to create the people's army which will defeat the pig army.

Protect the pigs, give them so much things the jails and burn the courts to free men people, let the fascists and the pigs and hanging judges know that they are the ones whom the people will resist. Defend the people of the U.S. who are already how to turn their attitude as their stance against the fascist pigs and the fascist leaders of the blacks.

Behind our leaders is every legal way but support them constitutionally. Make the alternative for members of the people's army. Defend the people's army. Defend the people's army. Defend the people's army.

To defend our right to live free from fascist terror, we must take up the fight against imperialism and the war, the battle, the military. We must take the fight to the streets and the courts. We must take the fight to the streets and the courts. We must take the fight to the streets and the courts.

Black Panther Party Platform and Program

What We Want What We Believe

FREE HUEY

Minister of Defense, Black Panther Party

1. We want freedom. We want power to determine the destiny of our Black Community.

We believe that black people will not be free until we are able to determine our destiny.

2. We want full employment for our people.

We believe that the federal government is responsible and obligated to give every man employment or a guaranteed income. We believe that if the white American businessmen will not give full employment, then the means of production should be taken from the businessmen and placed in the community so that the people of the community can organize and employ all of its people and give a high standard of living.

3. We want an end to the robbery by the white man of our Black Community.

We believe that the racist government has robbed us and now we are demanding the overdue debt of forty acres and two mules. Forty acres and two mules was promised 160 years ago as restitution for slave labor and mass murder of black people. We will accept no payment in currency which will be distributed to our white communities. The government are now siding the Jews in Israel for the genocide of the Jewish people. The German murdered six million Jews. The American racist has taken part in the slaughter of over fifty million black people. Therefore, we feel that this is a modest demand that we make.

4. We want decent housing, fit for shelter of human beings.

We believe that if the white landlords will not give decent housing to our black communities, then the housing and the land should be made into cooperatives so that our community, with government aid, can build and make decent housing for its people.

5. We want education for our people that exposes the true nature of this decadent American society. We want education that teaches us our true history and our role in the present-day society.

We believe in an educational system that will give to our people a knowledge of self. If a man does not have knowledge of himself and his position in society and the world, then he has little chance to relate to anything else.

6. We want all black men to be exempt from military service.

We believe that Black people should not be forced to fight in the military service to defend a racist government that does not protect us. We will not fight and kill other people of color in the world who, like black people, are being victimized by the white racist government of America. We will protect ourselves from the force and violence of the racist police and the racist military, by whatever means necessary.

7. We want an immediate end to POLICE BRUTALITY and MURDER of black people.

We believe we can end police brutality in our black community by organizing black self-defense groups that are dedicated to defending our black community from racist police oppression and brutality. The Second Amendment to the Constitution of the United States gives a right to bear arms. We therefore believe that all black people should arm themselves for self-defense.

8. We want freedom for all black men held in federal, state, county and city prisons and jails.

We believe that all black people should be released from the many jails and prisons because they have not received a fair and impartial trial.

9. We want all black people when brought to trial to be tried in court by a jury of their peer group or people from their black communities, as defined by the Constitution of the United States.

We believe that the courts should follow the United States Constitution so that black people will receive fair trials. The 14th Amendment of the U.S. Constitution gives a man a right to be tried by his peer group. A peer is a person from a similar economic, social, religious, geographical, environmental, historical and racial background. To do this the court will be forced to select a jury from the black community from which the black defendant came. We have been and are being tried by all-white juries that have no understanding of the "average reasoning man" of the black community.

10. We want land, bread, housing, education, clothing, justice and peace. And as our major political objective, a United Nations-supervised plebiscite to be held throughout the black colony in which only black colonial subjects will be allowed to participate, for the purpose of determining the will of black people as to their national destiny.

When, in the course of human events, it becomes necessary for one people to dissolve the political bonds which have connected them with another, and to assume, among the powers of the earth, the separate and equal station to which the laws of nature and nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness. That, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that, whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute a new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate that governments long established, and should not be changed for light and transient causes; and accordingly, with experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But, when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security.
